Mission Prayer

Remember God’s work through missionaries on home service as you pray:

- *that many congregations all over the United States would welcome missionaries into their churches for mission presentations, Sunday school, children’s messages, celebration luncheons, Bible studies and other activities.*
- *for God to give missionary families emotional, physical and spiritual strength as they travel to many locations, share with many supporters and meet many new friends. Pray that home service would be a joyous and encouraging time, despite rigorous schedules.*

Recycle "Portals of Prayer"

Help Pastor Rivett (The Motorcycle Pastor) in his prison ministry by recycling your Portals of Prayer. Recently he was our speaker two Sundays in succession. He took along the recycled devotion materials which had been collected in the box in the fellowship hall. The following Sunday he reported that he had already distributed all the materials during the week. So recycling does help him in his ministry and you can play a part in it! Any other devotional materials are also welcome, regardless of the date.
